

AIRLINE CABIN CREW TRAINING COURSE

**Speak with confidence.
Serve with excellence.**

Safety | Service | Professional Image | Career Readiness

10 FOCUSED TRAINING MODULES

THE PROGRAMME

Your confidence. Your professionalism. Your aviation career.

Dreaming of a career that lets you travel the world? This course is your first step toward becoming a flight attendant. The programme covers safety procedures, emergency handling, in-flight service and customer care, together with grooming, communication and professional conduct.

Designed for new entrants and career changers who want practical, job-ready cabin crew skills and stronger interview confidence.

WHAT YOU WILL GAIN

Ready for the standards of international airlines.

PROFESSIONAL KNOWLEDGE

Understand the duties and responsibilities of cabin crew across airline operations.

IMAGE & CONDUCT

Maintain the grooming, posture and professional behaviour expected by international airlines.

SAFETY CONFIDENCE

Respond calmly to safety, security, dangerous goods and onboard medical situations.

SERVICE EXCELLENCE

Deliver attentive customer care with cultural awareness, empathy and communication etiquette.

TEAMWORK

Coordinate effectively through briefings, SOPs, clear roles and crew cooperation.

INTERVIEW READINESS

Strengthen speaking skills and understand what airline recruiters are looking for.
