CHRP

CERTIFIED HUMAN
RESOURCE PROFESSIONAL

Face to Face/Virtual Instructor-Led Training

COURSE SUMMARY

People are at the heart of every successful organisation, and effective Human Resource professionals play a vital role in building productive, engaged, and high-performing workplaces.

The Certified Human Resource Professional (CHRP) programme provides a strong foundation in the principles and practices of modern Human Resource Management. Developed in line with international standards, the programme equips learners with the practical knowledge and professional competencies required to manage core HR functions while aligning people strategies with organisational objectives.

Delivered through interactive instructor-led sessions, practical case studies, and real-world workplace scenarios, the programme develops essential skills across recruitment, employee development, compensation and benefits, performance management, employee relations, and workplace health and safety. Participants gain the confidence to support organisational success while building a rewarding career in Human Resources.
