

DiplFR – ACCA

Diploma in International
Financial Reporting

Face to Face/Virtual Instructor-Led Training

COURSE SUMMARY

The **Diploma in International Financial Reporting (DipIFR)**, awarded by **ACCA**, is an internationally recognised professional qualification designed for experienced accounting and finance professionals seeking advanced expertise in International Financial Reporting Standards (IFRS).

The programme develops the technical knowledge and professional judgement required to prepare, analyse, and interpret financial statements in accordance with IFRS Accounting Standards. It focuses on complex financial reporting issues, consolidated financial statements, and the practical application of IFRS in today's global business environment.

Designed for professionals responsible for financial reporting and corporate accounting, the DipIFR programme strengthens analytical thinking, enhances professional competence, and prepares participants to confidently address complex financial reporting challenges while supporting strategic business decision-making.

ENTRY QUALIFICATIONS

CANDIDATES GENERALLY QUALIFY IF THEY MEET ONE OF THE FOLLOWING REQUIREMENTS:

- A relevant degree with **two years** of accounting or auditing experience.
- **Three years** of relevant accounting or auditing experience.
- ACCA Affiliate status.
- ACCA **CertIFR** qualification with **two years** of relevant professional experience.

WHY CHOOSE DipIFR?

- Develop advanced expertise in **International Financial Reporting Standards (IFRS)**.
- Strengthen your ability to prepare and analyse complex financial statements.
- Build professional judgement for real-world financial reporting challenges.
- Enhance your global career opportunities in accounting, auditing, and financial reporting.
- Prepare for senior finance, reporting, and advisory roles across international organisations.
