

EXECUTIVE SECRETARY /OFFICE ADMINISTRATOR TRAINING

Face to Face/Virtual Instructor-Led Training

COURSE SUMMARY

Efficient office administration is the backbone of every successful organisation. Executive Secretaries and Office Administrators play a vital role in ensuring seamless communication, coordinating executive activities, managing business documentation, and supporting daily operations.

The Executive Secretary / Office Administrator Training programme is designed to equip participants with the practical knowledge, organisational skills, and professional confidence required to excel in modern administrative and executive support roles. Through interactive learning and workplace-focused training, participants will develop expertise in office administration, business communication, executive coordination, records management, Microsoft Office applications, and customer relations.

Whether you're starting your administrative career or looking to advance into executive support, this programme prepares you to perform professionally in today's fast-paced corporate environment.
