

# LETTER OF CREDIT (LC) TRAINING

Face to Face/Virtual Instructor-Led Training

# COURSE SUMMARY

Letters of Credit (LC) remain one of the most secure and widely used payment mechanisms in international trade. Understanding how trade finance, banking procedures, and documentary compliance work is essential for professionals involved in export, import, and global business transactions.

The Letter of Credit (LC) Training programme is designed to provide participants with a comprehensive understanding of international trade finance and the practical application of Letters of Credit. The course covers international payment methods, Incoterms®, UCP 600, trade documentation, banking procedures, shipping terms, and pre- and post-shipment finance.

Through practical learning and industry-focused discussions, participants will gain the knowledge and confidence to manage Letter of Credit transactions accurately, minimise discrepancies, and support secure international trade operations.
