

UAE CORPORATE TAX TRAINING

Tax Registration | Tax Governance | Regulatory Compliance

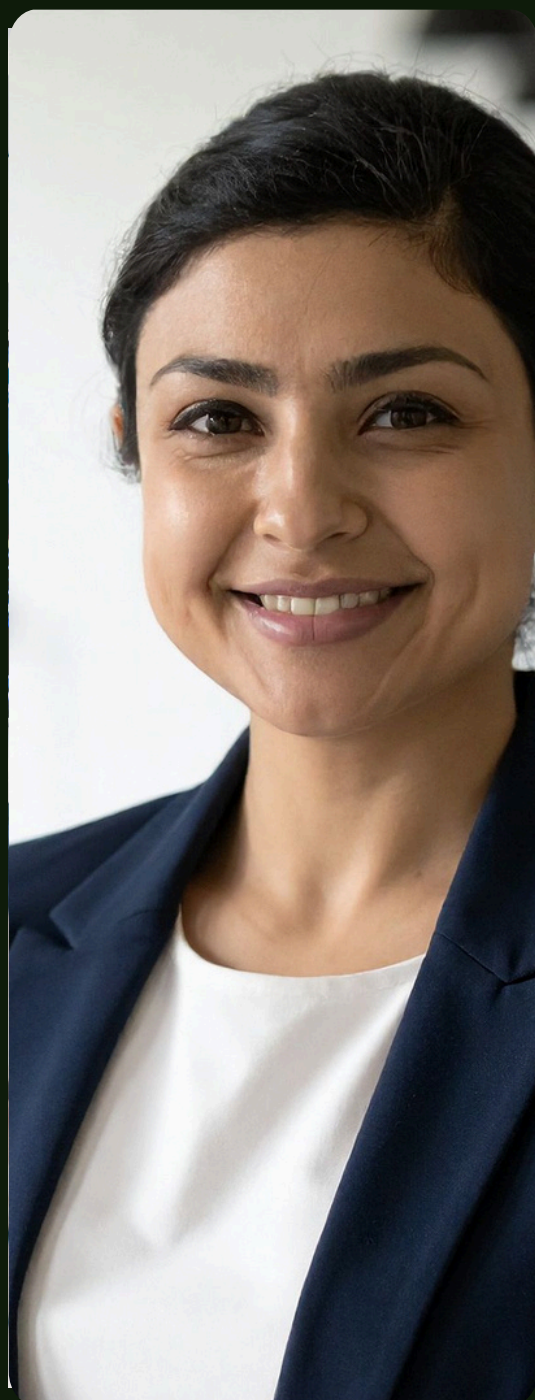

COURSE SUMMARY

The introduction of Corporate Tax in the UAE has transformed the country's tax landscape, making tax compliance and governance essential for businesses operating across all sectors.

The UAE Corporate Tax Training Programme provides participants with a comprehensive understanding of the UAE Corporate Tax regime introduced under Federal Decree-Law No. 47 of 2022, together with subsequent amendments, Cabinet Decisions, Ministerial Decisions, and guidance issued by the Federal Tax Authority (FTA).

The programme equips participants with the practical knowledge and skills required to understand corporate tax obligations, determine taxable income, prepare compliant tax calculations, manage registration and filing requirements, and implement effective tax governance within organisations.

Designed around current UAE regulations and practical business scenarios, this programme prepares professionals to confidently manage corporate tax compliance in today's evolving regulatory environment.
