PROGRAMME

AML/CFT/CPF COMPLIANCE

FOR DPMS

Dealers in Precious Metals & Stones

**Practical AML controls for jewellery, gold, bullion,
diamond and gemstone businesses.**

KYC | UBO | AED 55,000 RULE | DPMSR | STR/SAR | goAML

THE PROGRAMME

Compliance that works in the real world.

Build the practical judgement needed to identify risk, document decisions and prepare for regulatory inspection.

WHO SHOULD ATTEND

Jewellery businesses, gold and bullion dealers, diamond and gemstone traders, wholesalers, retailers, compliance staff, owners and managers.

01

KNOW YOUR CUSTOMER

Apply KYC, UBO, PEP, sanctions and risk-based due diligence.

02

SPOT THE RED FLAGS

Recognise suspicious cash, pricing, invoicing, source-of-gold and trade patterns.

03

REPORT & EVIDENCE

Understand DPMSR, STR/SAR, goAML and the records inspectors expect to see.

COURSE OUTLINE

Core controls. Clear decisions.

01

UAE AML FRAMEWORK FOR DPMS

- AML/CFT/CPF legal framework
- DNFBP obligations, FIU & goAML
- Compliance Officer responsibilities

02

CUSTOMER DUE DILIGENCE

- Individual & corporate KYC
- UBO, PEP and sanctions/TFS screening
- Source of Funds / Wealth and EDD

03

DPMS TRANSACTIONS & AED 55,000 RULE

- Cash transactions of AED 55,000 or more
- Linked / split transactions
- Supplier, invoice, payment & country-risk checks

AED 55,000

Know when the transaction threshold is triggered - and how linked or split payments should be reviewed.

FROM THEORY TO CONTROL

**Learn what to check,
what to question, what
to record and when to
escalate.**

COURSE OUTLINE

Reporting. Red flags. Inspection readiness.

04

DPMSR, STR/SAR & GOAML

- When DPMSR reporting is required
- DPMSR vs STR/SAR and internal escalation
- goAML, supporting documents and tipping-off

05

KEY DPMS RED FLAGS

- Suspicious source of gold / scrap-gold activity
- Over/under invoicing, high-risk countries & TBML

06

AML AUDIT & INSPECTION READINESS

- Policies, risk assessments and Compliance Officer
- KYC/UBO, DPMSR/STR and cash records
- Training evidence, independent review & corrective actions

PRACTICAL EXERCISE

Can you clear the transaction?

Participants review a fictional jewellery transaction and make the compliance decision.

CASE-BASED LEARNING

THE DECISION PATH

01

KYC

Is the customer information sufficient?

02

RISK

Is the customer or transaction high-risk?

03

REPORT

Is DPMSR or STR/SAR review required?

04

EVIDENCE

What should be retained for inspection?

BY THE END OF THE DAY

Participants should be able to conduct customer due diligence, recognise suspicious DPMS transactions, understand DPMSR and STR/SAR requirements, apply the AED 55,000 rule correctly, and prepare their business for an AML regulatory inspection.
