PRACTICAL APPLICATION & LEARNING OUTCOME

Apply the framework to a realistic legal-client engagement

LEARNING OUTCOME

By the end of the programme, participants should be able to conduct appropriate client due diligence, identify AML risks arising from legal services, recognise suspicious arrangements, understand reporting obligations and maintain records for Ministry of Justice AML inspection.

PRACTICAL CHECKLIST

- Is the client properly identified?
- Who is the actual beneficial owner?
- Is the proposed transaction commercially reasonable?
- Are there AML or sanctions red flags?
- Is EDD required?
- Should the case be escalated?
- What evidence would a Ministry of Justice inspector expect?

1

RISK AWARENESS

Recognise legal-service risk across clients, ownership structures, funds and jurisdictions.

2

REPORTING CONFIDENCE

Escalate concerns and understand STR/SAR, goAML, confidentiality and tipping-off requirements.

3

INSPECTION READINESS

Maintain evidence, risk assessments, screening records and corrective-action tracking for MOJ review.
